

MAEA Training Needs Analysis

Services that are able to be provided:

- Design surveys
- Conduct structured need analysis interviews
- Analyze job performance
- Determine causes and solutions for job performance problems
- Conduct a cost benefit or return on investment analysis
- Analyze behavior and determine appropriate trainings

If you are interested in meeting to discuss your training needs or having a training need analysis conducted, please contact Chris Robbins at 570-622-0992 or email crobbins@nepamaea.com.
