Tuesday, March 7, 2017

Dear Business and Industry Partner:

The Schuylkill Technology Center is excited to announce the 2nd annual "STC Tech Trot 5K/Fun Run!" The race will be held on Sunday, May 7, 2017 at the North (Frackville) Campus at 9:00 AM. The race is open to all ages and medals will be awarded to 1st, 2nd, and 3rd place, male and female, winners in each age group. The Schuylkill Technology Center is a place where Schuylkill County business, industry, and school districts come together as one; and we are excited to take this opportunity to bring everyone together for this great event!

The "STC Tech Trot 5K/Fun Run" benefits our student organizations: SkillsUSA, DECA and FFA. The funds raised at the 5K will be used to send students to competitions, for student organization fees, and other associated organization costs. To help make our event as successful as possible, we are currently asking for business and industry representatives to sponsor our 5K event. We have four sponsorship levels, Bronze, Silver, Gold, and Platinum, to make sponsoring easy. However, any donations, monetary or otherwise, are greatly appreciated. Every company that sponsors the race will receive benefits such as their company name/logo on the STC 5K webpage, sponsor coupons/promotional materials in the race day packet, banners at the finish line, complimentary race admission and name/logo on the event t-shirt. These benefits vary by sponsorship level, so please see our 5K "Sponsorship Information" flyer for more detailed information about the benefits of each level. Sponsorships and donations will be accepted at any time; however, they must be received by Friday, April 21, 2017 for company name/logo to be guaranteed on the event t-shirt.

For sponsorship information, flyers, registration forms, maps and more, please visit our website, www.stcenters.org, and click on the 5K/Fun Run Link. If you have questions or need more information, please contact Stacey at 570-544-4748 ext. 3116 or email at minas@stcenters.org. Thank you so much for your continued support of the Schuylkill Technology Center. We hope to see you at the race!

Sincerely,

A handwritten signature in blue ink that reads "Stacey Minahan". The signature is fluid and cursive, with a long horizontal stroke at the end.

Stacey Minahan
Assistant Principal
Schuylkill Technology Center South Campus
